It's an explosive reunion as the most memorable bachelors from this season — including Kasey, Kirk, Craig R., Ty, Jonathan and Derrick aka "Shooter" — return to confront each other and Ali one last time on national television. The men will dish the dirt and tell their side of the story, and focus in on one of the most controversial bachelors of the season: Justin. Shocking revelations from Justin's ex-girlfriend confirm all the stories about the entertainment wrestler's past. Although Justin declined to be in the studio, that didn't stop the rest of the men from discussing his shocking exit from Turkey or from offering their opinions. Then Jessie from Jake Pavelka's season, who tipped Ali to Justin's secret love life stops by and explains why she came forward. Things heat up as the guys rip into one another and the men make it known that they were unhappy with Frank's "selfish" behavior in regard to Ali and his girlfriend back home, Nicole. Plus – catch a special preview of the sexy summer series *Bachelor Pad* that premieres Monday, August 9 on **Citytv**!
