“*Happy Endings* perfectly compliments our strong Wednesday night line-up following *Modern Family* and *Cougar Town*” commented Malcolm Dunlop, Executive Vice President, Programming, Rogers Media Television.

*Happy Endings* offers a fresh and funny take on modern friendship and what one urban family will do to stay friends after the perfect couple who brought them all together, Alex (Elisha Cuthbert, 24) and Dave (Zach Knighton, *FlashForward*), break up on their wedding day. The failed nuptials forces the group to question their own life choices. Alex's sister, Jane (Eliza Coupe, *Scrubs*), a suburban housewife, and her husband, Brad (Damon Wayans Jr., *The Underground*), are considering starting a family while Max (Adam Pally, *Taking Woodstock*) and Penny (Casey Wilson, *Saturday Night Live*), worry about never finding the right guy. Although Alex and reach a truce with each other, they must learn to live with the changes their breakup has caused.

*Happy Endings* moves to its regular time slot Wednesday, April 20 at 10pm ET/PT (9CT, 8MT) on **Citytv** (s/ABC).
